

Exp. No. 2. Setting up a Zoho Creator account and Exploring the platform architecture and interface.

AIM::

To create a Zoho Creator account and explore its platform architecture, features and user interfaces.

Requirements:

Computer, Internet Connection, Zoho Creator account, Web browser.

Procedure::

- * Open Zoho Creator Website
- * Create a new account or Sign in using existing account
- * Explore the Zoho Creator dashboard.
- * Examine application builder and available components.
- * Explore forms, reports, Pages, workflow and other features.
- * Navigate through different sections of the interface.

Result:

The Zoho creator account is successfully setup and all features are explored.
